MINISTER'S MESSAGE

Some people have an easy time of it. Their rooms are always neat and clean. Their shoes are always stacked neatly beside each other in their closets, the strings even tucked inside. There is nothing under their beds. They always do their homework without an argument. They enjoy their studies. They like their fellow students. They like their teachers. When it's time for work, they love their jobs (of course) and can hardly wait for the next day. Their parents are supportive and affirming. Their health is good. They can eat whatever they wish, and they weigh the same thing today they

did on their wedding day, even When it is 30+ years ago. The tux or dress still fits. They look about 10 years (at least) younger than their age. Their car is always reliable. We notice when we ride with them that the tank is always ³/₄ full, the mats on the floor-

board are tidy, and there are no empty cans or cups, and certainly no old ketchup packs from McDonalds. The car's exterior always gives the impression that it has been washed and waxed recently. Their children send them loving notes on their birthdays and Mother's and Father's Day. And, they are joyful!

Of course they are! How would they like it in *my* room, dealing with *my* workload at school, or dealing with *my* crummy old boss! Let's see them rejoice then! Or what if for

5 minutes they had to put up with *my* parents, spouse, children, car, etc.—let's watch them laugh then! They have it easy.

We feel this way, don't we? The older I get the more that this, however, is proven to be false. Nobody has it easy. Sure, some people don't have the thorns *you* have, but *their* thorns are pretty formidable indeed! Some people don't have it easy. The difference in the rejoicers and the non-rejoicers is this: some people have learned the secret of rejoicing! Or, as Paul put it, "the secret of being

content". (Philippians 4:12).

I'm looking forward to talking about this with you during the month of March! This is a "secret" I need and you need, too. We all know people in life's *worst* situations, and still they are

chipper, happy, joyful! Lord, I want to be that! I want the people around me to feel the joy coming off of me and want to be around me so it will rub off on them!

See you Sunday—joyfully—

Tony

Most recent updates from fellow Christians in India. The old Community Hall building in Damoh was renovated and is now dedicated to our Lord and Savior Jesus Christ. The Community Hall is located in the Christian colony where most of the Christians in Damoh reside. This building is used for Sunday school and various activities of the church throughout the year, including senior citizen gatherings. We are thankful to God for this huge blessing to our ministry. They also had a special prayer meeting at the Masihi Mandli Church in Civil Lines, Bilaspur. There were many youth present from the community that were inspired by the message. Vivert taught on how to express Christian Faith when we are among other people in a proper manner. Please continue to pray for this ministry as they reach the lost in India and pray for their continued safety.

<u>Goodfriends</u> is for anyone who can join us! (young or not-so-young, young at heart or young in spirit). We enjoy an activity or an outing on the 3rd Thursday of each month (unless noted) from September thru July.

On Thursday, February 16, 2017, we had only 4 Goodfriends join Mt. Carmel's Young-at-Heart for their Valentine luncheon catered by 'Always Fresh Neighborhood Market'. We feasted on beef tips and rice, green beans, sweet potato casserole, salad and red velvet cake. After lunch, we sang along to music provided by Steve Roberts and his bluegrass band called Twisted Timber. JoeAnn Toney even won one of the door prizes!

Journeying through grief can be very confusing and lonely. If you have experienced the loss of a loved one and would benefit being with others who are experiencing the daily challenges that grief brings, an 8 week Life After Loss - Grief/Bereavement Support group will begin on Wednesday, April 19th from 6:30-8:00pm and will meet for eight consecutive Wednesdays. All materials will be provided to each group member at no cost. For more information or to register, please contact Deana Porter at 404-918-6645. Prayer Beepers:

Prayer Beepers – Did you know that LCC has several 'prayer beepers'? When requested, we assign one of the beeper numbers to an LCC member who is ill or needs prayer for a specific reason or time period. Basically, after assignment, we notify the congregation via e-mail with the name, beeper number and prayer request. When you pray for that person, you call the beeper number and it signals them. That way, they know someone just prayed for them. If you would like to receive a prayer beeper or just want more information about them, please contact Paul Bengtson. Many people who have used a prayer beeper in the past found great comfort and encouragement from them (even when they go off in the middle of the night!). Currently, we have 1 prayer beeper out.

Connie Miller: number 770-929-5157

Message: Hello, you have reached the prayer beeper for Connie Miller. She had surgery to remove a brain tumor on Friday, January 27th. She has asked that you pray for comfort, strength, and peace, as well as for God's will to be done. Please press 1 and the # sign. Your prayer beep will be sent to her. Thank you on her behalf.

Martha McKenna: number 770-929-5115

Message: Hello, you have reached the prayer beeper for Martha McKenna. She has been diagnosed with Stage 1 breast cancer. She will undergo radiation for 4-6 weeks beginning March 2nd. Please pray for strength and stamina to withstand this course of treatment. Also pray for no side effects. Both Martha and Brian appreciate your prayers.
