

MINISTER'S MESSAGE

I am very thankful that our Church Kitchen has been remodeled and that we can begin to use it again! Many of you have contributed financially to this project, and we are most grateful for all of you who have. Much of the amount that was raised to fund this effort came in Memory of Paul Bengtson. After Paul's passing, Jim Twitty passed, and then Faye Clickner too, and more contributions came in their Memory. I'm sure there were others too. These great saints inspired many of us by their lives, and I am thankful, as I know you are too, for this fitting tribute. Praise the Lord!

I am hopeful that we are turning a corner where Covid is concerned and that our Church's life and activities can continue to ramp up in these days. These last two years have been exceptionally challenging for our world, our nation, our state, and our Church. Indeed, all Churches worldwide are in duress. The political climate is against us. The culture has little use for us. Our Gospel is unpopular. Our Savior is seldom mentioned unless it is to either criticize Him, or laugh at, or make sport of Him.

It used to be that preachers were respected in the community. I suspect that the Christian ministry is about on the lowest rung of popularity and approval these days! Despite the push-back against us and our message, what we preach has never been MORE needed than it is right now! I pray, and ask you to pray with me, that LCC will rise up, pray up, and get up; it's time for us to be on the march! I hope you will "mobilize" into action with us!

Thanks for your prayers, your giving, your service, and your support! Lord willing, I will see you Sunday--

Tony

Missions Spotlight

Please continue to pray for Chris Garcia and the folks working with the mission in Mexico. They currently have a new church they're building in a town called Loreto. Loreto has a population of 22,085 and only 1.6 percent do not profess the Roman Catholic religion, so there's still a lot of work ahead as they begin to reach the lost. The building they're constructing will seat 100 people. They are a small congregation presently but believe the church will grow once they have a full time minister. They've been interviewing and hope to have someone very shortly!

They're also working on a new clinic, which has been plagued with issues. There were some electrical issues. They had over 60+ black boxes that have been taken to the mission over the past few years in preparation for the clinic. Their goal is to have the medical examination rooms with supplies before the holidays. Apparently, the research Chris conducted on salaries for clinic positions back at the beginning of the year were in error, which was the basis for the amount they needed per month for the rest of the salaries. After recalculating the numbers with more accurate salaries, the amount they need per month to hire a dentist, nurse, front office person, and custodian is only about \$2000.00. God has already provided \$8,800, leaving only \$15,200 needed to provide for the first year of salaries. Exciting news! They hope to open the Betsan Clinic in March! Please be in prayer about this and also safe travels for Chris Garcia as she travels home for the holidays.

LCC Music Ministry

Our Choir, Orchestra and Tech Teams are back in full force and now working on our Christmas music. Our plan is to have a "Victorian Christmas" this year on Dec. 12 at 5:30 & 6:30 pm.

YAK (Youth After Church) Event Nov 7th immediately after service. Food, fun and fellowship

Wednesday we had a great get-together with the youth group. Many new faces were present as our youth invited some of their friends. We had a costume contest, games and smore's.

A big thank you to Richie, Faith, Colin, Kelly. A special thanks to the muscle behind the youth pastor... Carrie. I would not be able to do this without their help and support.
